17 The Court held a informal conference regarding a discovery dispute over the sufficiency of

20 1. **No later than May 25, 2021**, the defense **SHALL** produce to plaintiff's counsel via
21 email, the documents responsive to Request #35 or an amendment to the previous response
22 indicating there are no responsive documents;

23 2. **No later than May 25, 2021**, the defense **SHALL** produce to plaintiff's counsel via
24 email, the training records for the identified officer. This will suffice as the response to Request
25 #36;

26 3. The plaintiff withdraws Request #41. Instead, the parties will subpoena records
27 from the medical provider;

28 4. Counsel **SHALL** make best efforts to schedule the outstanding depositions, so they

1 are completed no later than June 23, 2021. If, despite their very best efforts to complete these
2 depositions by June 23, 2021 they cannot do so, they may submit a stipulation to amend the case
3 schedule. In proposing dates, they should preserve the current dispositive motion deadlines and
